Demystifying College Terminology:

Unraveling the complexities of College in plain english

6.15pm Wednesday 12th August 2015
Hawker College Maths Learning Commons

This is for you if you’ve ever thought:

I’d like someone to take me through this report card?
What do raw scores, z-scores and final scores mean?
What is the AST and how does it influence the ATAR?
What are units and how do they fit together for the ACT Senior Secondary certificate?

Accredited v’s tertiary subjects and packages?
How much flexibility is there to adjust packages?

To ensure the night is relevant to your needs, please email any specific questions or topics you’d like covered to hawkercollegepandc@gmail.com

RSVPs to Heather Grainger (Secretary) at hawkercollegepandc@gmail.com
would be appreciated to help with catering, but not essential.
